Respected Sir,

I, A. Tushara Priya was not well

Yesterday, I was suffering from fever. I was
called at 11.00 pm in night to one of our
seniors (II yr) room and was asked to stay there
even though I informed them about my health
situation. There were some disputes and I
immediately informed to warden about the affairs
that were being hidden from their notice.

Today i.e. 12/9/2017 my father came to college
and we discussed the issues with Dr. G. Serial

Principal G.S.L. Dental College.

We request you to instruct the IIIrd year
students to maintain friendly atmosphere
with their Junior batch (IInd year).

Thanking You,

Yours Sincerely,
A. Tushara Priya
